FACULTY

As a result of Pollard's invasion of the high school this year, the faculty faced unusual obstacles. Losing the five- and six-hundreds had grave consequences. Some teachers had to mobilize their classrooms on carts, while others were forced to make the cold expanse of the B-gym their home. Despite these inconveniences, they lived up to their full potential and made this year memorable for all of us.

It is the supreme art of the
teacher to awaken joy in creative
expression and knowledge.

Welcome, Dr. Ruane

We welcome our new Superintendent of schools, Dr. Patricia C. Ruane. We appreciate the interest she has shown in our community. Dr. Ruane has made herself a familiar face at the high school by visiting classrooms, attending sporting events and club activities, and even singing in the Gospel Choir. Her energy, ambition, and vision promise that we will meet the challenges of the future with confidence and enthusiasm.

SENIORS

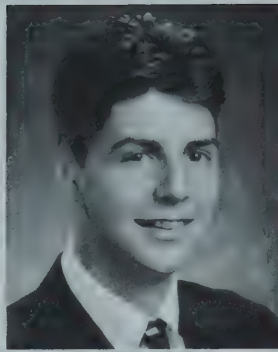

In our final year at Needham High School, the Class of '96 came together as a group and demonstrated new found spirit. We gathered in the cafe to make sandwiches for the homeless, on the sidelines to cheer on our athletes, and finally at the senior class functions at the end of the year. The Class of '96 took advantage of the traditional senior privileges - even if we weren't allowed to park in the upper lot until January.

Every exit is an
entry somewhere else.

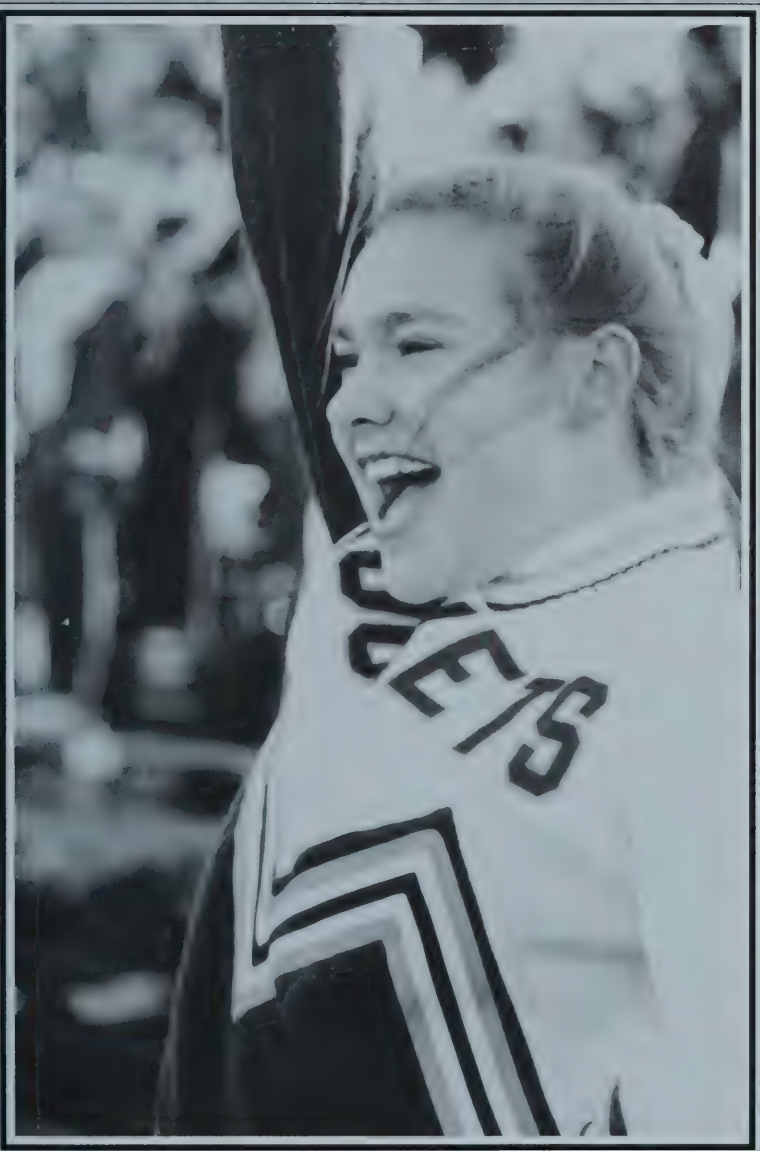

People come, people go. Some leave footprints in the snow.

But in the end, you will find some leave footprints in your mind.

S P O R T S

This year was a memorable one for many sports teams. In the fall, the Boys' Soccer team captured the state championship, and the Football team tackled their way to the Rockets' first pigskin conference title since 1957. The Golf team finished their season as Bay State League champions, and Girls' Soccer won the Division I South Sectional Championship. In the winter, the Basketball team rallied behind fan support to advance to the quarter finals of the state tournament. The Ice Hockey team posted an impressive record, and the Wrestling team, featuring two state champions, won consistently on the mats.

ACTIVITIES

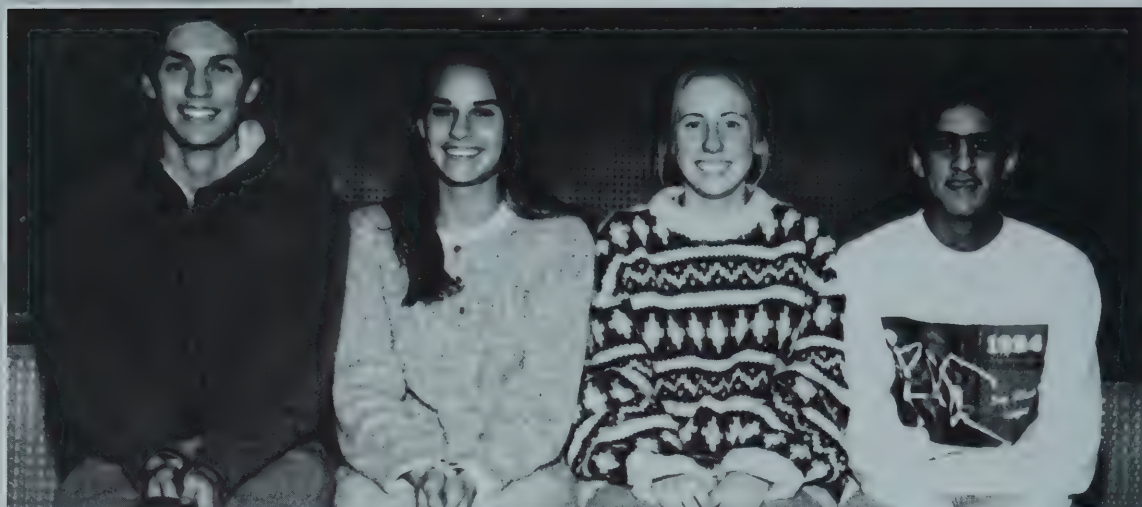

Needham High has always prided itself on its broad spectrum of activities. A vast majority of students participate in one or more of these extracurriculars, whether they take the witness stand at a mock trial, bring an international dish to a potluck dinner, or write an article for one of the school publications. This year, a number of students took the initiative to form new groups. As a result of their efforts, many of us went on Snowboarding Club trips to New Hampshire and Vermont, and we had the pleasure of watching the Bomb Squad's debut at the pep rally as well as the gospel choir's Martin Luther King Day performance.

Latin students on the cliffs of Capri...

on a gondola ride in Venice...

in Rome, by the Arch of Titus...

tossing coins into the Trevi Fountain...

and relaxing by the Tiber river.

BACK IN TIME

I always thought that I would
look back on the crying and laugh,
but I never thought that I would
look back on the laughing and cry.

We do not remember days,
we remember moments.

Friends are those who send a smile
To brighten up your day
Friends are those who make you laugh
They wipe your tears away
Friends are those who understand
That someone you can talk to
Friends are those who share your pain
Do all they can to help you
Friends are those who touch your heart
With the love and warmth they send
Friends are those who care enough
From now until the end

Coming together is a beginning
Keeping together is progress
Working together is success.

Do not follow where the path may lead . . . go instead where there is no path and leave a trail.

ACKNOWLEDGEMENTS

With a new computer, laser printer and PageMaker program, we were able to produce the majority of this book using the latest technological advancements. These contributions were beneficial to many students throughout the process, and we are confident that their impact will be appreciated in the final product as well. Several individuals generously donated their time and resources to the Advocate. The editors would like to thank the following organizations and individuals for their valuable contributions to the yearbook.

- The Needham Education Foundation, for the new Power Macintosh and laser printer
- The Parent Teacher Council, for donating the funds to purchase PageMaker 6.0
- The Student Council, for a grant which enabled us to upgrade the computer's memory and install PageMaker.
- Claire Greene, for providing us with pictures of student activities and functions
- Pat Harris, for her assistance in investigating and ordering PageMaker and the memory upgrade
- James Modena and Paul Messias, for helping us solve our computer crises and installing new programs
- Frances Fleming, for letting us take over her classroom, supplies, and computers without a word of complaint (sorry about the Bette Midler poster)
- John Neister, our Josten's Representative, for transforming our ideas for the theme to paper. Producing the puzzle page opening, dividers, and last page. His expertise with Adobe Photoshop is greatly appreciated. Thanks also to John and his wife, Denise, for helping us with our advertising campaign. We have increased our Ads beyond our greatest expectations.
- And of course, Ellen Burke, for going beyond the call of duty as our advisor. She spent countless evenings working with us to meet deadlines, sacrificing her personal time for our benefit (and making sure that we never got snowed in at the office). Whether we were brainstorming theme ideas, choosing pictures, or finalizing the ad section, she was always willing to lend an experienced hand. Her encouragement from the planning stages to the final production allowed us to transform our ideas into a reality.

Don't be dismayed at goodbyes.
A farewell is necessary before you can meet again.
And meeting again, after moments or lifetimes,
Is certain for those who are friends.

-The Little Prince
